

MAIN HALL

The main hall is big enough for us to run air rifle shooting, archery & some types of inflatable games. We have even had inflatable bungee running.

you can easily sleep 30 Scouts in the hall, with enough seating for them all.

penarthanddistrictscouts.org.uk

TOILETS

We have 3 showers, 4 toilets & a fully disabled accessible toilet/ shower room, which is also the Leaders. Dyson hand driers.

The toilets & showers are co-ed, with anti-slip flooring through out this area.

PADSAC

(Penarth & District Scout Activity Centre)

PADSAC is a purpose built hall for Scouting in Penarth and the surrounding area.

It has a small self contained garden. And we have access to the school playing field adjacent to the hall.

It has electronic access to the building, 4 toilets, 3 showers & 1 disabled toilet-shower room/Leaders toilet – shower.

On Saturday mornings we run a Scout Shop Agency from the building, selling a varied amount of Scout uniform & nick-nacks

We can also arrange activities to be run by local qualified leaders from the District, at a cost.

TROPHY ROOM

The trophy room is the biggest meeting room with in the building. You can comfortably seat 20 people for meetings, training & presentations. We have a dry wipe board fixed to a wall which can also be used as a projector screen.

It also has a serving hatch from the kitchen, which is ideal to serve meals and then carry out into the main hall to seat your Group.

There are hot air heaters through out the building and halogen heaters with in the toilet shower area. Light sensors/switches are through out the building, saving energy.

SMALL MEETING ROOM

This is the smallest meeting room in the building, but is big enough for a group of about 8 people. We have a T.V display screen, which you can plug your laptop into as the whole building has wireless internet.

It also has a small dry wipe board fixed to the wall.

This room can also be used as a sleep room for leaders during any over night stays. You should be able to sleep at least 3 leaders comfortably.

KITCHEN

A fully fitted kitchen. This has been refurbished to commercial standards. We have a double deep stainless steel sink, 5 ring gas cooker, fridge, freezer, and enough cutlery to cater for 40 people.

Our supply of hot water comes from our solar panels on the roof, but we also have an emersion heater.
